

REMARKS

The Applicant has amended the specification and the claims to replace the word "three-dimensional" to "two-dimensional." This amendment is supported by the drawings, as filed on October 9, 2003. As the number of edits extend through the specification, a substitute specification is being filed along with this preliminary amendment, which amends the claims and the abstract.

However, the wording of "three-dimensional" in the 4th line of paragraph [0003] at page 1 and in the 1st line of paragraph [0004] at page 2, will remain unchanged.

If the Examiner has any questions concerning the present amendment, the Examiner is kindly requested to contact the undersigned at (408) 749-6903. If any other fees are due in connection with filing this amendment, the Commissioner is also authorized to charge Deposit Account No. 50-0805 (Order No. JLINP170) A duplicate copy of the transmittal is enclosed for this purpose.

Respectfully submitted,
